FIG. 6 is a perspective view of the device 20 showing the front face 22. The front face 22 includes a display area 834 and a speaker grille 836. The display area 834 is defined by a bezel 838 and contains a grid of display elements 860. The speaker grille 836 is located at the top of the device 20 and includes a series of speaker openings 862. The device 20 is shown in a perspective view, with the front face 22 facing the viewer. The bezel 838 is a frame that surrounds the display area 834. The grid of display elements 860 is composed of many small, square elements arranged in a regular pattern. The speaker openings 862 are located at the top of the device 20 and are used for audio output. The device 20 is a portable electronic device, such as a smartphone or tablet.
